

The 27th Nordic Meteorologists' Meeting

We cordially invite you to participate in this meeting in Helsinki, Finland, 7th – 11th June 2010.

Every second year meteorologists from the Nordic countries come together in a meeting in one of the Nordic countries. The aim of the meeting is to provide an overview of the state-of-the-art in meteorology, discuss problems and opportunities and exchange information on different meteorological topics. The participants, the number of which usually exceeds 100, represents all branches in meteorology including both operational forecasting and research.

Venue

The meeting will take place at the headquarters of the Finnish Meteorological Institute (FMI) in Helsinki. The street address is Erik Palmenin aukio 1.

Timeline

Deadline for registration 15.03. 2010
Deadline for abstracts 30.04. 2010
